Fri, 15 Jun 2018 23:38:00 GMT - I would absolutely make this dress again, but I am also interested in tackling something else cool from the book. When I finally finished this dress I immediately pulled the books out again to choose what I wanted to make next, assuming that since I had successfully completed one project, the rest would be a breeze.

Sun, 17 Jun 2018 17:59:00 GMT - Every time I see or hear the word "culottes" I smile a little inside because I love them so much now as an adult, but MAN I used to hate them as a kid. Growing up in the deep south as mixed race, I was shuttled between my parents who resided on the literal white and black sides of town, respectively, and I stuck out a

Sun, 17 Jun 2018 04:45:00 GMT - A bunker is a defensive military fortification designed to protect people or valued materials from falling bombs or other attacks. Bunkers are mostly underground, compared to blockhouses which are mostly above ground. They were used extensively in World War I, World War II, and the Cold War for weapons facilities, command and control centers, and storage facilities (for example, in the event ...
